ORGANIC TOUCH

CHOOSE  
YOUR FLAVOUR

## CHOOSE YOUR FLAVOUR

IN SIGHT AS IN TASTE, OUR SENSES RESPOND TO SHARED, UNIVERSAL CODES WHICH ENABLE US TO TELL RED FROM BLACK AND SAVOURY FROM SWEET. SO WE'VE CHOSEN SPICES AS OUR COLOUR INSPIRATION, TO MAKE COLOUR HOTTER, SWEETER, MORE DELICATE OR HARsher, FOR USE AS THE GENUINE EXPRESSION OF CHARACTER AND PERSONALITY.

FROM PAPRIKA TO CUMIN, FROM BLACK PEPPER TO SESAME, FROM SUMAC TO CURRY, AN INTER-MIXABLE SELECTION OF ORGANIC PIGMENTS, THE BASIS FOR FUN WITH AMAZING EFFECTS TO DEFINE A UNIQUE STYLE.

# TECHNOLOGY AND INGREDIENTS

Within the NAVITAS line, a new approach to colour in the salon is born. NAVITAS ORGANIC TOUCH has been developed through painstaking selection of the finest, safest ingredients, the choice of fragrances and substances free from allergens, parabens, SLES, and SLS, and absolute gentleness and care for the skin and scalp.

The top quality organic pigments which form the basis of these products, skilfully combined with the fantastic cosmetic base, give the hair a new colour flavour, with shine, moisturisation and depth of colour and highlights that will delight and will be maintained over time.

## 12 SHAMPOO AND MASK SHADES FOR INFINITE EFFECTS.

### ORGANIC TOUCH SHAMPOO

It contains marine collagen and oat and wheat proteins, which have a moisturising, nourishing action. Privo di solfati, SLS e SLES, contiene detergenti di origine naturale derivati da cocco ed olivo, consente una detersione delicata ma profonda su capelli e cuoio capelluto.

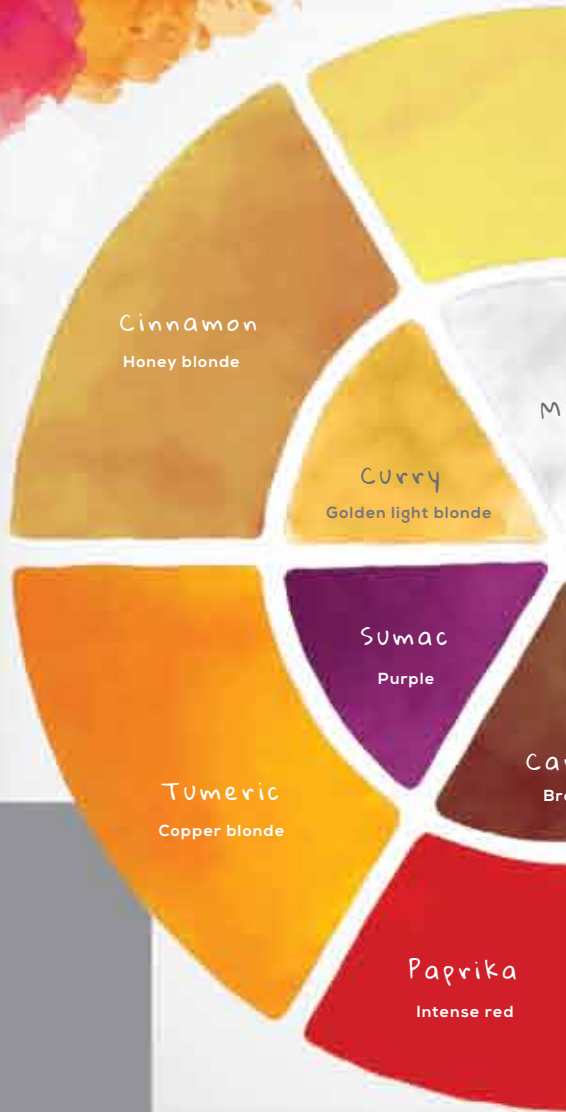

### ORGANIC TOUCH MASK

Precious amino-acids and ceramides give ORGANIC TOUCH MASK a powerful, synergic reconstructive action on even seriously damaged hair, while ARGAN, WILD ROSE and FLAX oils help to untangle and moisturise the hair, and give it shine.
